STUDENT CLUBS/ORGANIZATIONS

Supreme Student Government/Council - is responsible for enforcing rules and regulations and in maintaining campus order and discipline.

The Cavinian (The Green and Gold) - the DCCS school organ serves as the school's press release of news and other articles pertaining to school activities published once a year. It also serves as learners' avenue of developing their inclination in writing literary features and news articles. The staffers include high school learners and intermediate pupils headed by the editor-in-chief. The dummy sheet of the School Organ must be approved by the Principal.

Performing Arts Club (Teatro Cavina) - aims to develop the self-confidence of learners with talents and potentials in singing, dancing, public speaking, and acting.

Math and Science Club - aims to promote and strengthen Mathematics and Science consciousness among learners and provides activities geared towards enrichment of functional classroom activities.

Filipino Club (Hiraya) - promote and develop skills, attitudes, and values of learners towards nationalism and social consciousness and promote Filipino culture and tradition.

Christian Living Education Club - aims to develop the learners' God-given talent in music through singing and playing musical instruments. The members of this club shall serve as lectors, commentators, animators, and altar servers in the Holy Mass and other religious activities.

Sports Club - aims to promote sportsmanship and to develop the learners' physical well-being.

Homemakers / Artists Club - geared towards the enhancement of learner's ability and talents in culinary arts, handicraft and sewing, and to develop student's ability of self-expression in arts.

Drum and Lyre Corps - aims to enhance learner's ability to play sound instruments, to develop self-confidence and enliven other school activities like the parade and field demonstrations.
